CREATIVE QUESTION:

MAPPING THE SYSTEM. Draw the key set of interactions and feedback loops of the system you are trying to change.

THEORY OF CHANGE. In the space below describe how your approach will contribute to change at the personal, organizational and systems level. Add any insights that support these interventions.

REFLECTING. Take some time to write on the following questions, and anything else that may come to mind. Be sure to consider the four core competencies (Design; Social Innovation; Decolonization, Equity and Inclusion; Evaluation).

- What assumptions am I making?
- Why is this important to me?
- What is my biggest fear?
- What is my greatest hope?
